

Making Space, Making Change

Profiles of Youth-led & Youth-Driven Organizations

A guide for understanding **youth-led organizations**
and their place in the **contemporary youth movement**.

by the **Young Wisdom** project of the Movement Strategy Center
with the Youth Speak Out Coalition

Follow the stories of five youth-led and youth-driven organizations from around the U.S.
– how they started, build youth leadership and power, deal with challenges, and make
real change in their communities.

This report is for all young organizers and their allies who want to put their principles
into practice for the next generation!
